FAITH EDUCATION: Registration Faith education is a lifelong endeavour. It is especially important and provides a foundation when there is a desire to prepare for and celebrate the Sacraments. In order to ensure meaningful faith experience, we offer a number of programs for various age groups: Faith First for children between the ages of 8 and 10, focuses on families growing together in faith; Witnesses of the Covenant encourages young people of 11 years and older to come together to question and discuss elements of our faith; RCIA (Right of Christian Initiation for Adults) is tailor made to encourage adults in their faith journey...and for our youngest, mini-ministry focuses on encouraging that first spark. Registration is now taking place for all of these programs. Please call the faith education office at **(450) 671-0416** to speak to Diane.
