FAITH EDUCATION: Registration Faith education is a lifelong endeavour. It is especially important and provides a foundation when there is a desire to prepare for and celebrate the Sacraments. In order to ensure meaningful faith experience, we offer a number of programs for various age groups: Faith First for children between the ages of 8 and 10, focuses on families growing together in faith; Witnesses of the Covenant encourages young people of 11 years and older to come together to question and discuss elements of our faith; RCIA (Right of Christian Initiation for Adults) is tailor made to encourage adults in their faith journey...and for our youngest, mini-ministry focuses on encouraging that first spark. Registration is now taking place for all of these programs. Please call the faith education office at **(450) 671-0416** to speak to Diane or Cory.

Saint Irenaeus Memorial (Tuesday, June 28th)

Irenaeus was born in Asia Minor, probably between 130 and 135 and went to Lyons as a missionary priest sometime before 177. While he was away in Rome, the persecution against the Church of Lyons mounted and many suffered martyrdom. Later, Irenaeus returned and by 199 he was Bishop of Lyons. Through his writings, we know that he was a disciple of Saint John the Evangelist; thus Irenaeus was in the direct line of the disciples. His writings in refuting heresies helped lay the foundation of Christian theology and give us a window on the early Church. Perhaps his most important contribution was his assertion that creation is not sinful by nature, but rather distorted by sin. As God created us, so God redeemed us: our fallen human nature could only be saved by Christ assuming it in the Incarnation.
